

How to resize to fit you:
 My head is 24.5" around at the brow, if printed at 100% size, this pattern will fit me.
 Reduce print size by how big your head measures.

24" = 98%	Custom size:
23.5" = 96%	Divide your size by 24.5
23" = 94%	= % of print size
22.5" = 92%	Example: 18.75" / 24.5
22" = 90%	= .765 or 77%
21.5" = 88%
